We have successfully completed the spring term despite the challenges we faced following the Kahraman Maraş earthquake disaster on February 6th. It proved to be one of the most difficult terms we have ever encountered. The spring term commenced on February 20th and concluded on May 24th. With its highs and lows, we have now bid farewell to yet another term.

On June 24th, a remarkable commencement ceremony took place, attracting students, their families, and academic staff with great enthusiasm. In June 2023, we proudly witnessed the graduation of 245 students with a bachelor's degree in the Faculty of Architecture and Design. Additionally, 15 students obtained their master's degrees, while 4 students achieved the prestigious milestone of receiving their Ph.D. degrees. We extend our warmest congratulations to all the graduates and wish them the best of luck in their future endeavors.

Furthermore, we would like to acknowledge the exceptional dedication and hard work of Aslı Bartık, a valued member of the Faculty of Architecture and

As part of the Graduates Revisited-1 program, Begüm Şevval Acar and Ceren Karaakin, who are graduates of the Interior Architecture and Environmental Design Department, gave a seminar showcasing their work as the founders of "BC Studio".

On the 6th of April, as part of the ARCH 206 Construction Technologies course, Gizem Güngör from Sisecam Company delivered a seminar titled "Glass Solutions for Architectural Projects."

In the Özü FAD talks series, Yağdır Çeliker Gencer, a member of our faculty, gave a speech on "Konya Aleaddin Tepesi II. Kılıçarslan Manor House and Excavation Site // Approaches, Decisions, and Implications."

Design administrative staff. Aslı Bartık received the esteemed Administrative Staff Award, and we wholeheartedly congratulate her for this outstanding achievement. We express our gratitude to all the administrative staff for their unwavering efforts. Thank you all for your support and contributions.
