## News

Professor Dr. Aslıhan Ünlü and Dr. Erdemir Kocagil İdil were invited as keynote speakers at the European Facade Network Conference held at the Detmold School of Design in Detmold, Germany on November 16th. The title of the speech was 'Sustainable Design Perspectives - Architectural Stories from Turkey.' We sincerely congratulate our members.

Dr. İlker Fatih Özorhon, Assoc. Prof. Dr. Güliz Özorhon and Gülbin Lekesiz members of our faculty have won the First Prize in an International Competition for the Conceptual Architectural Design of the Emergency Centre within the Complex of the Clinical Centre of Montenegro.

As we bid farewell to the old year and step into the new one, we find ourselves at a profound intersection of two significant milestones – the 15th anniversary of our University and the 100th-anniversary celebration of our Republic. These historical occasions, combined with the remarkable achievements of our students and esteemed faculty members in the Faculty of Architecture and Design, have added extra layers of significance to the old year and the year that lies ahead.

Throughout the year, our faculty members have made substantial contributions to the realm of academia and research. Their commitment to pushing the boundaries of architectural and design knowledge has led to numerous impactful research projects. These endeavors not only enrich our academic community but also contribute significantly to the broader architectural discourse, reinforcing our faculty's reputation for excellence. The competitive spirit of our students and faculty has shone brightly in various project competitions throughout the year. Their extraordinary creativity and dedication have secured numerous awards and accolades, making us exceptionally proud to have such outstanding representatives of our faculty on the global stage. We eagerly anticipate even more triumphs in the year that unfolds.

We congratulate our part-time lecturers Tunahan Koç and Zeynep Koç, who won the First Prize in the Sustainability Architectural Project Competition opened by Izmir Metropolitan Municipality. Additionally, we extend our congratulations to our part-time lecturer Mert Ayaroğlu, who secured the Second Prize in the same competition, and wish them continued success.

Dr. Doga Dinemis Aman and Dr. Yağdır Çeliker Gencer members of our faculty and their team led by Batu Kepekçioğlu received an honorable mention at the national architecture competition of "Izmir Metropolitan Municipality Presidency and City Councils as Focus of Civilization". The proposed project dominates the concepts of openness and transparency, and it aims to increase the integration between the square, the immediate surroundings, and the city. You can find the details at the link below and we congratulate our members sincerely.

The Research Project titled "Mechanical properties, durability performance and life cycle analysis of cementitious composites containing biomass ash" led by Ömer Karadağ, a member of our faculty has been accepted by TÜBİTAK 1002A. Prof. Dr. Turhan Bilir and Assoc. Prof. Dr. Zeynep Başaran are the consultants of the project. We are proud of and congratulate them all.

Dr. Ebru Karahan was promoted to Associate Professor, we congratulate her and wish her continued success.

As we embrace the New Year, let it symbolize new beginnings and boundless possibilities. We encourage our students to continue dreaming big, pursuing their passions, and pushing the boundaries of innovation in the field of architecture and design. We firmly believe that 2024 holds exciting prospects for all of us, and we stand ready to offer unwavering support and guidance on this remarkable journey.

In closing, we extend a warm invitation to the faculty to join the annual End of Year Party. This event served as an opportunity to reflect on the achievements of the past year and to mark the significance of the milestones we've reached. As we embark on a new chapter, let us remember that our accomplishments are a testament to our collective efforts, teamwork, and unwavering dedication. We eagerly anticipate a year filled with even greater achievements, growth, and success.

Prof. Dr. Aslıhan Ünlü

Dean of the Faculty of Architecture and Design
